

Dear Nursery Volunteer Staff,

We are so grateful for each and every one of you that volunteers to care for the children in the nursery. We will be continuing with an 8 week rotation.

Just a reminder, when you are a scheduled nursery volunteer, please be in the nursery and ready to serve fifteen minutes prior to the start of service or Sunday school. This is usually when families begin to bring their kiddos into the nursery. We have been seeing a number of new families attending and they have really appreciated seeing nursery workers names. So if you can remember, please do wear a name tag. If you do not have a name tag, let a supervisor know and we will have one made for you.

****Trading****

We know this will need to happen from time to time. Please remember; Supervisor needs to trade with another Supervisor, adult with an adult and minor with a minor. **If you need to make a trade, please let the office know so that reminders get sent to the correct person!** You can email the secretary at secretary@parkviewefc.org

*****777*****

If this shows up on the sign to the right front of the church we need volunteers to report to the nursery immediately. We need help!!

*****Review*****

Please read over the volunteer handbook and familiarize yourself with our policies for the nursery. Handbooks can be found on the check in counter. Always ask if you have a question. Also, if you ever need Tonnie or Monica, please feel free to page us.

We are so blessed to have you all! Thank you for taking the time to serve in the nursery. Staff and parents truly appreciate your services. Thank you, thank you, thank you!

Thank you again for your dedication to these precious little ones.
